Worship Service: 9:30AM & 11:00AM

Pastor Russ Wilson • Series: Characteristics of God

“The Wow Factor of God’s Holiness” • Revelation 4:8-11

It is easy for the church to slip into a casual mode when it comes to our weekly meetings with God. Once we grasp this aspect of God’s character it becomes impossible to be casual. Encountering God’s holiness is a frightening proposition. The individuals in Scripture who were confronted with God’s holiness were not casual about it. How about you - today - right now?
