WHAT IS THIS?

A last-ditch, desperate attempt to extend the summer...If you want to kick-off the fall right, then make sure you're at the official SNR HI KICKOFF weekend for 2011-2012 with the annual **CSM:KADESH, September 9-11 KICKOFF!**

It's a long weekend worth of stuff crammed into a regular one! Wakeboarding, tubing, night games, food, movies, and chillin' on the beach to go along with laying down a purpose and vision for what we do at CSM.

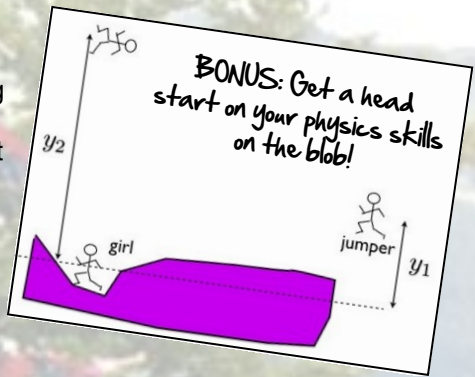

This year we're going back to the basics. To put it bluntly, **we want to learn how to KISS: Keep It Simple, Stupid** (what... you weren't excited about something else for a moment there, we're you?)

The world and our lives can feel like chaos sometimes. Everyone wants a piece. We try to cover all our bases, and split ourselves so many different ways, but we're constantly gonna feel like we're a step behind unless we give *everything*—*ALL our pieces*—to God, and God alone. This is not an easy thing to do. But it's the only thing that leads to hope. **THIS IS THE GIVE YOURSELF AWAY PROJECT.**

WHAT TO BRING

clothes would be helpful, and swimwear (if you dare). pillow and sleeping bag, stuff you might want in the bathroom, stuff to run around in at night (ie, you might get wet or dirty in).

PLUS, bring a Bible and, and stuff to write on.

WHAT IS CSM?

CSM is cornerstone student ministry. As part of cornerstone church, our dream might be simple, but definitely not small:

love God. love people. Change the world.

How we work that out as part of our every day lives is where things get good.
